Data Protection & GDPR

The laws around data protection changed on 25 May 2018. The new legislation includes GDPR - General Data Protection Regulation as well as the Data Protection Act 2018. The new law gives clarity over the roles and responsibilities of anyone who gathers information on others, as well as setting out enhanced rights of the people whose data is collected. This may require us to share some of that information with other sources, including Government departments like the Department for Work & Pensions and HMRC. This is to make sure that the information provided is accurate, to prevent or detect crime or fraud, to protect public funds, and to comply with our statutory duties. For information about how we handle your data, please read the full privacy notice on our website – www.hackneypension.co.uk
