INTRODUCTION

This is the Administration Strategy Statement of the London Borough of Hackney Pension Fund (the Fund) in relation to the Local Government Pension Scheme (LGPS – the Scheme), which is administered by the London Borough of Hackney (LBH) and Equiniti (EQ). Below is a diagram showing the roles and responsibilities of the parties in the administration of the scheme

Aims and Objectives

The aim of this Pension Administration Strategy is to set out the quality and performance standards expected of the Fund and its scheme employers. The Administration Strategy will assist in clarifying the roles and responsibilities of both the Administering Authority and the Employing Authorities, i.e. those employers who participate in the Pension Fund.

In addition, there are approximately 70 local authority schools that operationally are part of the London Borough of Hackney, but use separate payroll providers. Unless specifically mentioned otherwise, all references in this strategy to employers apply to these local authority schools, and they are required to provide information as if they are separate employers.

Effective and efficient administration of the pension fund is beneficial to all stakeholders in the Pension Fund, the Administering Authority, employers and scheme members. The following are some of the benefits to be had from having efficient pension scheme administration; the list is by no means exhaustive and is not in order of importance.

For the Administering Authority, effective administration means:

- It can fulfil its obligations under the regulations for administering the pension scheme
- Lower costs, improved use of resources
- Easier and swifter provision of services to employers and scheme members
- Improved communication between Administering Authority, employers and scheme members
- Improved monitoring of performance
- Clean data enabling faster and more accurate monitoring of the Pension Fund by the Fund actuaries
- Improved decision making in relation to policies and investments

For Employing Authorities, effective administration means:

- Greater understanding of the Pension Fund and its impact upon them as an employer
- Lower costs
- Improved communication
- Employee satisfaction
- Improved decision making for budgeting
- Fulfilling its obligations as an Employing Authority under the LGPS regulations

For Scheme members, efficient administration means:

- Accurate records of their pension benefits
- Earlier issuance of annual benefit statements
- Faster responses to their pension record queries
- Faster access to benefits at retirement
- Improved communications
- Enhanced understanding of the pension scheme and the benefits of being a member

Setting out the expectations of the Administering Authority and Employing Authorities will help to ensure that both parties are aware of their roles and responsibilities in relation to the administration of the pension scheme. Both employer and administrator are dependent on the other for effectual communication and accurate flows of information without which the pension scheme cannot be administered effectively. The scheme members are reliant on both the employer and the administrator to ensure that their pension records are accurate and that they are well informed.

The Pension Administration Strategy is not meant to supersede existing procedures or policies but to complement them. The Admission Agreement sets out some basic requirements of both the Administering Authority and the employer and the Employer Guide sets out in detail how to carry out day to day administration of the Pension Fund within the employer's site.

The Pensions Administration Strategy has a number of specific objectives, including:

- Deliver an efficient, quality and value for money service to its scheme employers and scheme members
- Ensure payment of accurate benefits and collect the correct contributions from the right people in a timely manner
- Ensure the Fund's employers are aware of and understand their role and responsibilities under the LGPS regulations and in the delivery of the administration function
- Maintain accurate records and communicate all information and data accurately, and in a timely and secure manner
- Set out clear roles and responsibilities for the Council and Equiniti and work together to provide a seamless service to Scheme employers and scheme members
- Continuously review and improve the service provided.

Implementation

The Administration Strategy is effective from 1 April 2019.

Regulatory basis

The Scheme is a statutory scheme, established by an Act of Parliament. The following regulations governing the Scheme are shown below:

- Local Government Pension Scheme (Benefits, Membership and Contributions) Regulations 2007 (as amended)
- Local Government Pension Scheme (Administration) Regulations 2008 (as amended)
- Local Government Pension Scheme (Transitional Provisions) Regulations 2008 (as amended)
- Local Government Pension Scheme Regulations 2013 (as amended)
- Local Government Pension Scheme (Transitional Provisions and Savings) Regulations 2013 (as amended)

Regulation 59(1) of the Local Government Pension Scheme Regulations 2013 enables a Local Government Pension Scheme Fund to prepare a written statement of the authority's policies ("its pension administration strategy") as one of the tools which can help in delivering a high quality administration service to its scheme members and other interested parties.

In addition, Regulation 59(2)e of the 2013 regulations allows a fund to recover additional costs from a scheme employer where, in its opinion, they are directly related to the poor performance of that scheme employer. Where this situation arises the fund is required to give written notice to the scheme employer, setting out the reasons for believing that additional costs should be recovered, the amount of the additional costs, together with the basis on which the additional amount has been calculated.

ADMINISTRATION IN THE LONDON BOROUGH OF HACKNEY

Responsibility

The London Borough of Hackney has delegated responsibility for the management of the Pension Fund to the Pension Committee. The Pension Committee will monitor the implementation of this Administration Strategy on an annual basis.

In addition the Pensions Board will assist and advise the Administering Authority in ensuring compliance with the Regulations and will receive reports on the Administration Strategy and its effectiveness.

Objective

The Fund's objective in relation to administration is to deliver an efficient, quality and value for money service to its scheme employers and scheme members. Operationally the administration of the Fund is partly outsourced to Equiniti and partly carried out by Council staff.

The Council and Equiniti staff work together to provide a seamless service to scheme employers and scheme members.

Communications

The Fund has published a Communication Strategy Statement, which describes the way the Fund communicates with:-

- scheme members
- members representatives
- prospective members
- scheme employers
- other stakeholders/interested parties

The latest version of the Communication Strategy Statement can be obtained from the Fund website:- www.hackneypension.co.uk

Training and Engagement

The objectives of the Fund have always been to keep stakeholders informed of new developments by sending emails and newsletters, and by providing free training, forums and workshops for Employers when new Regulations are implemented or are under consideration. Additionally free training is offered on an ongoing basis to new scheme employers or relevant new HR/Payroll staff.

It is important that Employers ensure that their staff have the right level of skills and knowledge to support any changes, starting with a sound foundation of existing regulations and administrative processes. There is an ongoing need to continuously maintain the quality of member records and the administrative processes by improving the quality of information received from Employers.

The aims of this approach are therefore:-

- To maintain a high standard of customer service for members and Employers
- To ensure that relevant staff within each Employer have sufficient knowledge and skills to effectively discharge administrative processes
- To ensure that Employers are fully aware of the risks involved in poor administration and maintenance of member pension records and if they fail to discharge of their discretionary functions
- To provide ongoing training on relevant employer responsibilities
- To support the implementation of new technology within the Fund to enable self-service for the Employer and streamlined administration

To achieve this, the Fund will:-

- Work with Employers' Human Resources, Payroll and other staff to help develop relevant skills and knowledge by providing appropriate assistance, guidance and training
- Organise free workshops and forums for Employers to debate new issues as they emerge

This strategy will ensure that Employers have a common understanding of their obligations under the Local Government Pension Scheme, and that administrative processes are designed to maximise efficiency and effectively manage risk.

The Fund will provide free training for Employers' relevant staff, to build up and maintain a level of professional expertise which will enable Employers to deliver information required by the Fund to efficiently administer the Scheme.

PERFORMANCE STANDARDS

The Scheme prescribes that certain decisions be taken by either the Fund or the scheme employer, in relation to the rights and entitlements of individual scheme members. In order to meet these obligations in a timely and accurate manner, and also to comply with overriding disclosure requirements, the Fund has agreed levels of performance between itself and scheme employers which are set out below:

Overriding legislation

Scheme employers will, as a minimum, comply with overriding legislation, including:

- Local Government Pension Scheme Regulations
- Pensions Acts 2004 & 2011 and associated disclosure legislation
- Public Service Pensions Act 2013 and associated record keeping legislation
- Freedom of Information Act 2000
- Equality Act 2010
- Data Protection Act 2003/GDRP legislation effective from 25 May 2018
- Finance Act 2013
- Relevant Health and Safety legislation
- Any other legislation that may apply at the current time

Internal quality standards

The Fund and scheme employers will ensure that all functions and tasks are carried out to agreed quality standards. In this respect the standards to be met are:

- compliance with all requirements set out in the Employers' Guide
- all information required by the Fund to be provided in the required format and/or on the appropriate forms referred to in the Employers' Guide which are accessible from the Fund website at www.hackneypension.co.uk
- information to be legible and accurate
- communications to be in a plain language style
- information provided to be checked for accuracy by an appropriately qualified member of staff
- information provided to be authorised by an appropriate officer
- actions are carried out, or information provided, within the timescales set out in this Administration Strategy.

Timeliness

Overriding legislation dictates minimum standards that pension schemes should meet in providing certain pieces of information to the various parties associated with the Scheme. The Scheme itself sets out a number of requirements for the Fund and scheme employers to provide information to each other, scheme members and prospective scheme members, dependants, other pension arrangements or other regulatory bodies. The following sections on responsibilities set out the locally agreed timescales for these requirements.

FUND RESPONSIBILITIES

The London Borough of Hackney is the Administering Authority of the London Borough of Hackney Pension Fund and has delegated powers to the Pensions Committee to oversee the management of the Pension Fund. The role of the Administering Authority is to administer the Pension Fund and act as a quasi-trustee body for the management of the Pension Fund.

The Pensions Board comprising equal numbers of employer and scheme member representatives will assist the Administering Authority in ensuring compliance with the regulations and in particular as this affects the administration of the Pension Fund and will therefore review the effectiveness of the Fund's Pension Administration Strategy on an annual basis.

This section outlines the key responsibilities of the Fund and the performance standards scheme employers and scheme members should expect. It is focussed on the key activities which scheme employers and scheme members are involved in and should not be viewed as a complete list of all activities. External Payroll or Administration Providers

Scheme employers must ensure that appropriate record-keeping is maintained and where they outsource their payroll, HR or pension administration functions to a third party, the legal responsibility for the provision of pension data to the Administering Authority or the third party pension administrator, lies with the Scheme employer and not the third party. Third party provision of these services includes companies such as: HLT (Hackney Learning Trust), Capita, EPM, Strictly Education etc.

Any external service providers with responsibility for carrying out any functions relating to the administration of the Local Government Pension Scheme must be made aware of the standards that are to be met.

Scheme employers must therefore ensure, as part of any contract entered into with a third party, that the third party has sufficiently robust processes in place to fulfil the statutory duties of the Scheme and the performance levels set out in the Pension Administration Strategy.

All information must be provided in the format prescribed by the Fund and within the prescribed timescales. Information and guidance is provided in the Employers' Guide which is available from the funds web site www.hackneypension.co.uk

MONITORING PERFORMANCE AND COMPLIANCE

Ensuring compliance with the Scheme regulations and this Administration Strategy is the responsibility of the Fund **and** Scheme Employers. We will work closely with all Scheme employers to ensure compliance with all statutory requirements, whether they are specifically referenced in the LGPS Regulations, in overriding legislation or in this Administration Strategy.

This section describes the ways in which performance and compliance will be monitored.

The Pension Board, the National Scheme Advisory Board & the Pensions Regulator (tPR)

The Public Service Pensions Act 2013 established the requirement for local Pension Boards in the LGPS with responsibility for assisting the Administering Authority in relation to the following:

- Securing compliance with the scheme regulations
- Ensuring the effective and efficient governance and administration of the scheme
- Securing compliance with the requirements imposed in relation to the LGPS by the Pensions Regulator; and
- Such other matters as the LGPS regulations may specify.

As a result the Local Pension Board of the London Borough of Hackney Pension Fund was established from 1 April 2015. A key aim of the Pension Board is to raise the standard of management and administration of public service pension schemes and to achieve more effective representation of employer and employee interests in that process.

In addition, the Pensions Regulator's remit was extended to include the public sector, and a national Scheme Advisory Board was created. The Administering Authority and scheme employers are expected to fully comply with any guidance produced by the Scheme Advisory Board and the Pensions Regulator. Any recommendations made by any of these entities will be considered by the Administering Authority, and where appropriate duly implemented (following discussions with employers where necessary).

Audit

The Fund is subject to an annual external audit of the accounts and, by extension the processes employed in calculating the figures for the accounts, by KPMG. The key findings of their work are presented to the Pensions Committee in an Annual Governance Report and the Fund is set an action plan of recommendations to implement.

In addition the Fund is subject to internal audits by the Council of its processes and internal controls. Any subsequent recommendations made are considered by the Fund and where appropriate duly implemented (following discussions with scheme employers where necessary).

Performance monitoring

The Fund monitors Equiniti's performance against the agreed contract and Service Level Agreements (SLAs). Monthly Service Review Meetings (SRM) are held where work received/completed and SLAs are discussed and Equiniti are asked to explain any variations from the SLAs and Key Performance Indicators (KPIs).

Key Risks

The key risks to the delivery of this Strategy are outlined below. Fund officers will work with the Pensions Committee and Pension Board in monitoring these and other key risks and consider how to respond to them.

- Significant external factors, such as national change, impacting on workload

- Lack or reduction of skilled resources due to difficulty retaining and recruiting staff members
- Inadequate performance of Equiniti against service standards
- Increase in the number of employing bodies causes strain on day to day delivery
- Incorrect calculation of members' benefits, resulting in inaccurate costs
- Employer's failure to provide accurate and timely information resulting in incomplete and inaccurate records. This leads to incorrect valuation results and incorrect benefit payment
- Failure to administer the scheme in line with regulations. This may relate to delays in enhancement to software or regulation guidance
- Failure to maintain records adequately resulting in inaccurate data
- Unable to deliver an efficient service to pension members due to system unavailability or failure.

Feedback from employers

Employers who wish to provide feedback on the performance of the Fund against the standards in this Administration Strategy should e-mail comments to the following address: pensions@hackney.gov.uk . This will be acknowledged within 5 working days and an investigation of the matter will then be undertaken. Following the investigation a response will be provided to the scheme employer within 15 working days of the initial acknowledgment.

Annual report on the strategy

The Scheme regulations require the Fund to undertake a formal review of performance against the Administration Strategy on an annual basis. This report details the performance of the pension administrators and the Fund's Employers. It is presented to Pensions Committee, Pensions Board and is included within the Pension Fund Annual Report and Accounts.

Background

Section 17 and Schedule 4 of the Public Service Pensions Act 2013 extended the role of the Pensions Regulator to include public sector pension schemes including the Local Government Pension Scheme (LGPS) from 1 April 2015. With regard to the LGPS, the Pensions Regulator now has responsibilities in relation to governance and particularly administration.

Schedule 4 of the Public Service Pensions Act 2013 requires the Pensions Regulator to issue a Code of Practice or Codes of Practice in respect of certain specified matters. In response to this requirement, the Pensions Regulator Code of Practice No 14 ***“Governance and administration of public service pension schemes”*** which came into effect from 1 April 2015.

This Code of Practice is applicable both to the Pension Fund and the individual Employers within the Fund.

Code of Practice No 14 Governance and Administration of Public Service Pension Schemes

Code of Practice No 14 covers the following:-

Governing your scheme

- Knowledge and understanding required by pension board members
- Conflicts of interest and representation
- Publishing information about schemes

Managing risks

- Internal Controls

Administration

- Scheme record-keeping
- Maintaining contributions
- Providing information to members

Resolving issues

- Internal dispute resolution
- Reporting breaches of the law

It is crucial that all Employers within the London Borough of Hackney Pension Fund are aware of, and comply with, the legal requirements and standards covered in the Code.

Failures by an Employer to fulfil legal requirements and follow the expected standards within the Code may result in that Employer (rather than the Pension Fund) being subject to legal enforcement action by the Pensions Regulator.

Sections that have particular relevance for Employers in the Fund are Administration and Resolving Issues

Administration

Scheme record-keeping

Key points

- The Scheme should work with employers to ensure they understand what information they're required to provide and when they need to do this.
- The Scheme should work with participating employers to seek to ensure they understand the key events and information they need to provide, and have processes in place to provide timely and accurate data.
- If an employer fails to provide the required information (meaning that they and/or the Scheme Manager may not be complying with legal requirements), the Scheme should consider whether to report the breach to the Pensions Regulator (tPR).

Schemes require participating employers to provide them with timely and accurate data in order for the scheme manager to be able to fulfil their legal obligations. Schemes should seek to ensure that employers understand the main events which require information about members to be passed from the employer to the scheme and/or another employer, such as when an employee:

- joins or leaves the scheme
- changes their rate of contributions
- changes their name, address or salary
- changes their member status, and
- transfers employment between scheme employers.

If any Employer fails persistently to act according to the procedures set out in this Pension Administration Strategy, meaning that they and/or the Fund may not be complying with legal requirements, the Fund will assess whether there has been a relevant breach and take action as necessary to report breaches of the law to the Regulator under Section 70 of the Pensions Act 2004.

Maintaining contributions

Reporting payment failures

The Scheme must report payment failures that are likely to be of 'material significance' to the Pensions Regulator (tPR) as soon as possible – usually within 10 working days.

A late payment is likely to be of material significance where it was caused by:

- the employer not being willing or able to pay contributions

- possible dishonesty or misuse of assets or contributions
- fraudulent evasion of the duty to pay contributions
- the employer having inadequate procedures or systems in place to ensure the correct and timely payment of contributions due, for example where there are repetitive and regular payment failures,
- contributions having been outstanding for more than 90 days

If any Employer has 3 or more repetitive or regular payment failures in any one financial year, the Fund will deem this as being of 'material significance' and in-line with its legal responsibilities, report this to the Pensions Regulator (tPR). The Employer may then be subject to legal enforcement action by the Pensions Regulator.

Resolving issues

Internal dispute resolution (IDRP)

Where a person with an interest in the scheme isn't satisfied with any matter relating to the scheme, they have the right to ask for that matter to be reviewed.

A person has an interest in the scheme if they:

- are a member or surviving non-dependant beneficiary of a deceased member of the scheme
- are a widow, widower, surviving civil partner or surviving dependant of a deceased member of the scheme
- are a prospective member of the scheme
- have ceased to be a member, beneficiary or prospective member or
- claim to be in one of the categories mentioned above and the dispute relates to whether they are such a person.

The Fund has a clear internal disputes resolution procedure (IDRP) set out for members of the LGPS which can be found on the Pension Fund's website:

www.hackneypension.co.uk

All Scheme employers are required to nominate a Stage 1 Adjudicator to deal with disputes at Stage 1 of the process. Scheme employers are asked to supply the details of their Stage 1 Adjudicator as part of their discretionary policy statement and should advise the Fund immediately of changes made in this regard.

Where a Scheme employer is in dispute with a decision or action taken by the Fund, the Fund will in the first instance attempt to resolve the matter internally and may seek an independent senior mediator from within London Borough of Hackney as the Administering Authority to make a final determination. Should this prove to be unsuccessful, a suitable, mutually agreeable and independent third party shall be appointed to determine the outcome of the matter.

POLICY ON THE RECOVERY OF ADDITIONAL ADMINISTRATION COSTS FROM EMPLOYERS

The Scheme regulations provide pension funds with the ability to recover from a scheme employer any additional costs associated with the administration of the Scheme incurred as a result of the unsatisfactory level of performance of that Scheme Employer.

Where a fund wishes to recover any such additional costs they must give written notice stating:

- The reasons in their opinion that the Scheme Employer's unsatisfactory level of performance contributed to the additional cost
- The amount of the additional cost incurred
- The basis on how the additional cost was calculated
- The provisions of the Administration Strategy relevant to the decision to give notice.

Circumstances where costs might be recovered

It is the policy of the Fund to recover additional costs incurred in the administration of the Scheme as a direct result of the unsatisfactory level of performance of any scheme employer (including the Council) or third party service provider. This includes the payment of fees levied against the scheme employer.

The circumstances where such additional costs will be recovered from the scheme employer are:

- persistent failure to provide relevant information to the Fund, scheme member or other interested party in accordance with specified performance targets in this Administration Strategy (either as a result of timeliness of delivery or accuracy/quality of information)
- failure to pass relevant information to the scheme member or potential members, either due to poor quality of information or not meeting the agreed timescales outlined in the performance targets in this Administration Strategy
- failure to deduct and pay over correct employee and employer contributions to the Fund within the stated timescales
- instances where the performance of the scheme employer results in fines being levied against the Fund by the Pension Regulator (tPR), Pensions Ombudsman or other regulatory body.

For the avoidance of doubt, "accuracy/quality" in this Strategy is defined as when we have received a completed form, or transfer of information, with no gaps in mandatory areas and with no information which is either contradictory or which we need to query.

Approach to be taken by the Fund

The Fund will seek, at the earliest opportunity, to work closely with scheme employers in identifying any areas of unsatisfactory performance, provide the necessary training and put in place appropriate processes to improve the level of service delivery in the future. Consideration for seeking additional administration costs where persistent failure occurs and no improvement is demonstrated by a scheme employer would be seen as a failure and will only be taken once the steps described below are taken to resolve the situation:

1. Write to the scheme employer, setting out area(s) of concern and offer training.
2. If no improvement is seen within one month of the training or no response is received to the initial letter, the scheme employer will be asked to attend a meeting with representatives of the Fund to discuss area(s) of concern and to agree an action plan to address them. Where appropriate, the originating employer will be informed and expected to work with the Fund to resolve the issues.
3. If no improvement is seen within one month or a scheme employer is unwilling to attend a meeting to resolve the issue, the Fund will issue a formal written notice, setting out the area(s) of concern that have been identified, the steps taken to resolve those area(s) and notice that the additional costs will now be reclaimed.
4. An invoice will then be issued to the scheme employer clearly setting out the calculations of any loss resulting to the Fund, or additional cost, taking account of time and resources in resolving the specific area(s) of unsatisfactory performance, in accordance with the fee scale set out in this document.
5. An annual report will be presented to the Pensions Committee meeting detailing any fees levied against scheme employers and outstanding payments.

Fees for additional administration

The table below sets out the fees which the Fund will levy on a scheme employer whose performance falls short of the standards set out in this document. Each task is referenced to the Employer Responsibilities section. Charging is a last resort and the approach outlined above will be followed before a fee is levied.

EMPLOYER CONTRIBUTION RATES / ADDITIONAL EMPLOYER ASSISTANCE & ASSOCIATED COSTS

Employers Contribution Rates

Employers' contribution rates are not fixed. Employers are required to pay whatever is necessary to ensure that the portion of the fund relating to their organisation is sufficient to meet its liabilities.

The London Borough of Hackney has an actuarial valuation undertaken every 3 years by the Fund's actuary. The actuary balances the fund's assets and liabilities in respect of each employer, and assesses the appropriate contribution rate for each employer to be applied for the subsequent 3 years.

Additional Employer Assistance & Associated Costs

The cost of running the London Borough of Hackney Pension Fund is charged directly to the Fund, and the actuary takes these costs into account in assessing the employers' contribution rates.

If an employer wishes the *London Borough of Hackney to carry out work not attributable to pension's administration they will be charged directly for the cost of that work.

The following functions have been designated Employer Functions – this means that they are outside of the normal scope of pension administration responsibilities for the Fund but the Administering Authority is willing to assist employers with these services.

They will be subject to a charge depending on the level of work required and whether external suppliers have to be engaged such as the Fund's Actuary, Occupational Health, etc.

Function/Task	Description & Associated cost
*Redundancy & Severance calculations (excluding/including pension calculation) *Efficiency Retirements *Flexible Retirements	Information, guidance, calculations and the preparation of associated paperwork for employee signature and payroll instructions Cost – 1 estimate per employee, per rolling 12 month period is provided free of charge. * the Administering Authority's (LB Hackney) Pensions Team, upon receipt of **accurate information** on the **appropriate estimate request form** in relation to an active member, or employee not in the LGPS, retiring due to age, redundancy, efficiency or flexible retirement, can provide 1 free estimate per member/employee, per 12 month rolling period.

Estimates are normally returned to the requesting employer within 20-30 working days of the receipt of the request – timeframe is dependent on checking employee employment/pension records, complexity of each case and the number of requests received at any one time.

SERVICE AND COMMUNICATION IMPROVEMENT PLANNING

As set out earlier in this Administration Strategy, the Fund's objective in relation to administration is to deliver an efficient, quality and value for money service to its scheme employers and scheme members. This can only be achieved through continuously reviewing and improving the service. Communication between the Fund and scheme employers is key to providing the service and is therefore an important aspect of service improvement planning.

Equiniti and the Council's in-house pension team work together on a programme of continuous improvement to the service.

The monitoring of the performance standards set out in this document will inform the programme going forward and feedback from scheme employers on the service and the way in which the Fund communicates is welcomed in developing plans. Feedback should be e-mailed to: pensions@hackney.gov.uk.

The Fund will take responsibility for improving the service and determining the balance between implementing service improvements and the goal of providing a value for money service for the Fund.

Employers will be informed of any changes to the service provision which affect the way they interact with the Fund.

CONSULTATION AND REVIEW PROCESS

In preparing this Administration Strategy the Fund has consulted with all the scheme employers with active contributors in the Fund. The Strategy will be reviewed every 3 years, or more frequently if there are changes to the Scheme regulations or requirements.

All scheme employers will be consulted before any changes are made to this document.

The latest version of this document can be accessed from the Fund website www.hackneypension.co.uk
